Clark County Fire District 6 Commissioners Meeting  
Special Meeting  
Public Hearing  
Station 1, 7:15 p.m.  
November 2, 2010

Members present: Chairman Bloemke, Commissioner Collins, Commissioner Spring

Special Public Hearing called to order.

The Chair advised the purpose of the Public Hearing was to discuss the 2011 Budget for Fire District 6.

No public comments were received.

The Clark County Assessor provided a preliminary estimate of the expected assessed value for properties in Fire District 6. These were not certified as the report did not include new construction.

The preliminary estimate reflects a 7.007% reduction in Fire District 6 assessed value from \$6,006,716,762 to \$5,581,627,435 for 2011.

In preparing the preliminary Fire District 6 budget the staff's goal was to reduce expenditures to balance expenditures with revenue. The preliminary budget for 2011 is 8.5% lower than 2010, and the EMS budget 9% lower than 2010.

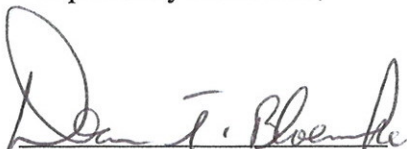

The District is expected to receive \$1.31 per \$1,000 for Fire and the full \$0.45 per \$1,000 for EMS.

At the Boards request, the funds not allocated in the 2011 Budget should be placed in Capital and Operational reserve funds.

The Board will take action on the adoption of the 2011 Budget at its November 16, 2010 meeting.

Meeting adjourned.

Respectfully submitted,

  
Dean Bloemke, Chairman

  
R.T. Streissguth, Secretary
