Clark County Fire District 6 Commissioners Meeting
Public Hearing
Station 1, 7:15 p.m.
November 1, 2011

Members present: Chairman Bloemke, Commissioner Collins, Commissioner Lothspeich
The Public Hearing was called to order.

The purpose of the hearing is to consider the Fire District 6 Budget for calendar year 2012.

Chief Taylor indicated the 2011 tax levy for Fire District 6 fire suppression (Fund 6212) was \$7,328,031. Should the Board determine that there is a substantial need to increase the regular property tax levy by 1%, an increase of \$73,280 would be available. Based on the most recent projected assessed valuations for the District, which includes new construction of \$37,143,714, the 2012 projected taxable assessed value for District 6 would be \$5,490,529,026.

With a 2012 levy rate of \$1.35694 this would result in fire property tax levy for collection in 2012 at \$7,450,301 – an increase of some \$122,270 over that authorized in 2011.

The EMS Fund (6242) has a newly voted \$0.45 per \$1,000 levy rate. Because a projected drop in assessed value will cause a drop in property tax revenue, and the collection rate cannot exceed \$0.45, the 2012 EMS property tax levy will be \$2,470,738. This is \$29,477 less than that available for collection in 2011.

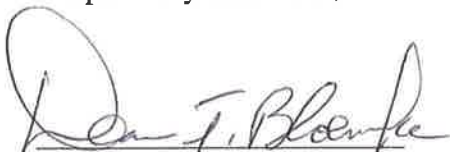

The resulting projected total tax revenue for both Fire and EMS will be \$92,793 greater than 2011.

The Board then received preliminary budgetary information on the 2012 Budget which will need to be adopted at its next meeting.

No one in attendance responded to the Chairs request for public input.

The Public Hearing was adjourned.

Respectfully submitted,

Dean Bloemke, Chairman
