### Fire District Receives Clean Audit

Today, Clark County Fire District 6 received a clean bill of financial health from the Washington State Auditor's Office. The routine audit examined financial statements from 2009 and 2010 with no issues to report. The audit also looked at whether or not the District is complying with state law, and its internal policies; again, the District was found to be in compliance.

"I'm pleased with the results, as Fire District 6 continues its history of clean financial audits" said Fire Chief Jerry Green. "This is an important process that shows our citizens we are good managers of their tax dollars," Chief Green continued.

The State Auditor's Office serves the citizens of Washington by promoting accountability, fiscal integrity and openness in state and local government. Working with the Fire District, auditors help ensure the efficient and effective use of public resources.

The State Auditor's report can be found on Clark County Fire District 6's website, [www.ccf6.org](http://www.ccf6.org), on the homepage under 'latest news.'
