

**CLARK COUNTY FIRE PROTECTION DISTRICT NO. 6**

**RESOLUTION NO. 2024-03**

**RESOLUTION PROVIDING FOR THE SUBMISSION OF LEVY  
PRIMARY ELECTION**

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF CLARK COUNTY FIRE PROTECTION DISTRICT NO. 6 PROVIDING FOR THE SUBMISSION TO THE QUALIFIED ELECTORS OF THE DISTRICT AT AN ELECTION TO BE HELD WITHIN THE DISTRICT ON AUGUST 6, 2024, IN CONJUNCTION WITH THE STATE PRIMARY ELECTION TO BE HELD ON THE SAME DATE, OF A PROPOSITION RESTORING THE LEVY OF A PROPERTY TAX NOT TO EXCEED \$1.50 PER \$1,000.00 OF TRUE AND ASSESSED VALUATION AND ESTABLISHING A LIMIT FACTOR OF SIX PERCENT SUBJECT TO OTHERWISE APPLICABLE STATUTORY LIMITATIONS FOR THE FOLLOWING FIVE YEARS.

**Background:** WHEREAS, it is the judgment of the Board of Commissioners of the District that it is essential and necessary for the protection of the health and life of the residents of the District that the fire and emergency medical services be provided by the District.

WHEREAS, The Board of Commissioners has determined that the accelerated demands for, and increasing costs of, providing services will necessitate the expenditure of revenues for improved capital facilities and firefighter safety, additional apparatus, maintenance and operations in excess of those which can be provided by the District's regular tax revenue levied at the current rate of approximately \$1.15 per \$1,000.00 of assessed valuation of taxable property within the District as limited by the 101% limitation.

WHEREAS, The District previously levied at the \$1.50 rate pursuant to a voter approved lid lift passed in 2020.

WHEREAS, The District experiences annual cost increases affecting its operations that reflect standard inflationary indices and that consistently exceed the statutory 101% limitation on tax levy increases.

WHEREAS, The District believes that it is reasonable to adopt a growth factor for years 2-6 of the levy lid lift period designed to allow the District to keep pace with inflation and has identified six percent per year an appropriate measure of inflation in Clark County.

WHEREAS, The Board of Commissioners has determined that it is in the best interest of the District that the maximum allowable levy authorized by this Resolution serve as the levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

**Resolution:** NOW, THEREFORE BE IT RESOLVED by the Board of Commissioners of Clark County Fire Protection District No. 6 Clark County, Washington as follows:

**Section 1.** It is necessary for the District to operate and maintain emergency fire and medical service vehicles, to acquire and improve station and other capital facilities and to retain properly trained personnel equipped with proper fire fighting and emergency medical equipment. The revenues generated by this lid lift will allow the District to cover the gap between inflation and the statutory one percent limit on increases to the Districts' budget to fund apparatus replacement and

facility upgrades and to provide for investments in firefighter safety all of which are necessary to maintain and improve the level of fire protection, prevention, emergency medical services and the protection of life and property in the District.

**Section 2.** In order to provide the revenue adequate to pay the costs of maintaining and providing the services described in Section 1 and to assure the continuation and improvement of such services the District shall, in accordance with RCW 84.55.050, remove the one percent limitation on regular property taxes imposed by RCW 84.55.010, and levy beginning in 2024 and collect beginning in 2025, pursuant to RCW 52.16.130, RCW 52.16.140 and RCW 52.16.160, a general tax on taxable property within the District at a rate of \$1.50 per \$1,000.00 of assessed valuation subject to otherwise applicable statutory limits.

**Section 3.** In order to provide the revenue adequate to pay the costs of providing adequate life protection services and facilities as described in Section 1 and to maintain reserve funds sufficient to assure the continuation of such services beyond 2025, the District has determined that the limit factor for the five succeeding years shall be six percent. Such percentage shall be used to determine the actual levy rate, subject to the maximum statutory rate of \$1.50 per \$1,000.00 of assessed valuation, in 2025-2029 to be collected in each following year. The funds raised under this levy shall not supplant existing funds used for the purposes described in Section 1.

**Section 4.** The amount levied in 2029 and collected in 2030 shall serve as the District's tax levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

**Section 5.** There shall be submitted to the qualified electors of the District for their ratification or rejection, at an election on August 6, 2024, in conjunction with the state primary election to be held on the same date the question of whether or not the regular property tax levy of the District should be restored to \$1.50 per \$1,000.00 of true and assessed valuation in 2024 and be adjusted by 106% for the following five years, subject to otherwise applicable statutory limitations. The Board of Commissioners hereby requests the auditor of Clark County, as ex-officio Supervisor of Elections, to call such election, and to submit the following proposition at such election, in the form of a ballot title substantially as follows:

Name of Jurisdiction: Clark County Fire Protection District No. 6
