

August 6, 2020

Dear Editor,

We want to thank voters in Clark County Fire District 6 for supporting a recent fire levy lid lift request. As way of a reminder, we serve Hazel Dell, Salmon Creek, Felida, Mt. Vista, the Fairgrounds, and Lake Shore in west Clark County.

As of this writing, the ballot measure is passing with almost 67 percent of the vote. Funding will be used to hire additional emergency personnel to respond to higher call volumes, improve firefighter training, replace and add apparatus; and, earthquake-proof our busiest station in Hazel Dell.

We realize that these are unprecedented times for our community, state and nation. We are sincerely grateful that our community has prioritized emergency services as worthy of their tax dollars. We will continue to report back to you as we complete these public safety improvements thanks to your support.

Sincerely,

Chief Kristan Maurer
Clark County Fire District 6
